The Elba High basketball team took it on the chin in their opener to Luverne, but don't write 'em off yet! They got off to a slow start, Luverne came out "red-hot," and grabbed a big lead early in the game. Luverne played the same boys pretty much the whole game, and Elba settled down and gave 'em trouble in the second half, outscoring them 29-19. Elba's not on the verge of fielding a powerhouse, but I

think they'll come along and be a good team. We're lacking in height, but have plenty of speed and desire. If the boys can develop a little pride in themselves as a team, they could surprise some folks!

Brantley and Cofee Springs put on quite a showlast week, and the game was closer than the score indicates. With 6:00 left in the third quarter, Brantley regained the lead at 13-8, and until that point the game was evenly matched. However, Brantley's defense "took over" following the score, and the offense never slowed down.

The Bulldog defense held Coffee Springs' awesome running attack to minus 16 yards in the second half, and shut down the high-powered Bears. People in Brantley have been bragging about Larry Dorsey

all year, and he's as good as they said. Dorsey gained over 100 yards rushing in the first half, and ended the game with
